DISTRICT PRIZE

IVERS & POND PIANO

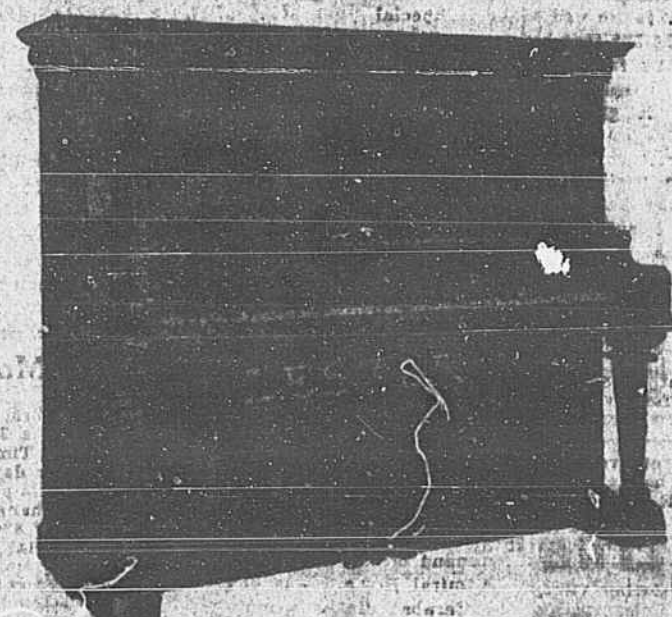

First Prize District No. 2 Value \$450.00

These instruments represent the highest standard ever attained in artistic piano building. The most costly materials that the world affords and the most expert labor only are used in their construction. Thus IVERS & POND PIANOS can be depended upon to give the finest effects in tone quality, ease and precision of action touch, etc. while in durability and freedom from repair necessities they are unequalled. Requiring each year less than half the number of yearly tunings as the average "common" piano, their economy for maintenance purposes will strongly appeal to instrument users. These pianos are fitted with practical, up-to-date improvements, many of them patented, to increase the volume and purity of tone quality, to make the instrument more of a pleasure to play.

Fully Guaranteed by the makers and by the C. A. Reed Piano & Organ Co. They want you to call and let them tell you all about this piano.

First Prize District No. 1 Value \$450.00

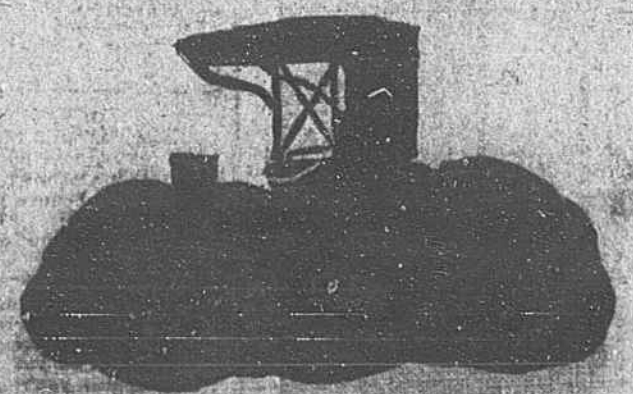

This instrument is one of the most popular of the Lester styles. The simplicity of its design is highly artistic and has found favor with those who do not desire a carved case. The mouldings, bases of pilasters and the double trusses are solid Mahogany or hard Indiana white quartered Oak; the pilasters are beautifully veneered to match the case. The veneering inside and out, is of the finest nature figured Mahogany or Oak, double and cross-banded. The panels across the back, top and bottom are veneered in Mahogany or Oak, and the massive hardwood parts in their natural color, are varnished. This piano is a full-sized Upright Grand, 4 feet 10 inches high, 2 feet 5 inches wide, and 2 feet 5 inches deep, veneered inside and out with Mahogany.

THE LESTER PIANO—Fully guaranteed by the makers and by Willis & Spearman. They invite your inspection.

Second Prize District No. 2 High Point Buggy Value \$110.00

This buggy is fully guaranteed and is ready for your inspection at the salesroom of J. S. Fowler Co. It has been specially made for this contest and is a beauty.

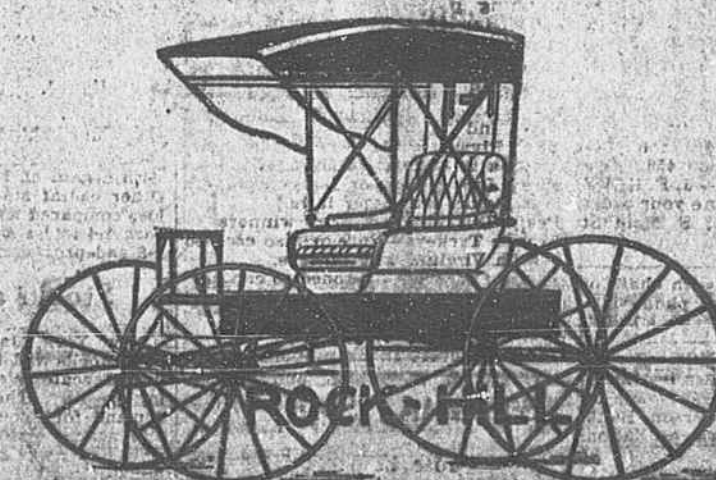

HIGH POINT BUGGY

J. S. FOWLER CO., LOCAL DEALERS

Second Prize District No. 1 Rock Hill Single Buggy Value \$110.00

This buggy is fully guaranteed by The Fretwell Co. and is now on display at their show rooms. They welcome you to call and examine same.
